Old Business:

- Parking lot: Steve Morrison stopped to see Supervisor Gould and states he is going to blacktop the Laundromat parking lot. He says there will be a small section between his lot and the Town lot that the Town owns that will not be blacktopped. He is wondering if the Town is interested in having it done at the same time? He says if the Town does, then the Town could then plow snow in the winter to the back of his lot and it would give us both more room. Supervisor Gould asked him to get a quote and it would be discussed at a board meeting. This would also increase the parking on election days. Mr. Gould states he is still waiting for an estimate from Mr. Morrison.
